WARRANTY CERTIFICATE
ROTH DOUBLE WALL TANK (DWT)

Serial Number: _____

Product Description:

The Roth Double Wall Tank (DWT) is constructed with an inner tank, which is the primary oil storage tank and an outer containment tank, which is the secondary containment basin. The inner tank is made of corrosion proof polyethylene. The outer containment tank is made of corrosion resistant galvanized steel.

Limited Warranty:

Subject to the terms and conditions hereinafter set forth, Roth Industries hereby warrants that the DWT is free of any defect in material or workmanship. At its discretion, Roth Industries will either replace or repair the defective DWT free of charge, provided that the DWT was constantly operated in accordance with the instructions accompanying the DWT. The warranty expressed herein is in lieu of any other warranties, expressed or implied, including, without limitation any implied warranty of merchantability or fitness for a particular purpose, and is in lieu of all other obligations of liabilities.

Compensation:

Provided that the DWT is installed in accordance with applicable installation instructions by an authorized installer and provided that it is used for its intended purpose, Roth Industries, Inc., will compensate the purchaser of the DWT for any property damages incurred by the purchaser directly caused by leakage from a defective DWT up to a maximum of US\$ 1 Million. Under no circumstances will Roth Industries be otherwise liable for any incidental, consequential or collateral damages, or for any loss, damage or expense of any kind, including loss of profits arising in connection with the DWT.

Duration of Limited Warranty:

This limited warranty is valid for a period of ten (10) years beginning on the earlier of (I) the date the DWT was first installed or (II) twelve months from the date of manufacture.

Warranty Performance:

Claims under this warranty must be presented promptly and in writing delivered to Roth not later than seven (7) business days after discovery of the defect. A completed copy of this certificate must be attached to the claim notice. Further information on warranty performance can be obtained by calling either of the following toll free numbers: USA 1-888-316-7684, CANADA 1-800-969-7684.

This warranty expressly excludes damage caused by Acts of God, or DWT's which are intentionally or negligently damaged by installers, homeowners, or any other third party.
